Back to School

It is time for our children to go back to school. My how time flies! On Wednesday, August 16, 2017, from 4:00pm to 6:00pm we will hold a Back-to-School Information Session for school agers and their families at Princeton Academy in our Super Hero Classroom. Please plan to join us.

The first day of school for D-11 is Thursday, August 17, 2017. We will continue to bus to-and-from the following schools; Columbia, Adams, Twain, Rogers and Queen Palmer. The first bus leaves Princeton Academy at 7:15am going to Adams, Columbia, Twain and Rogers. The second bus leaves Princeton Academy at 8:15am heading to Queen Palmer. Remember, we do not hold buses, please have your child here at the correct departure time. These times do change during winter weather storms. The buses are scheduled to leave 15 minutes earlier during bad weather. Please stop in to see me if you have questions.

Important Announcement

CCCAP only pays for one absence per month. We will charge infants & toddlers that miss more than one day per month.

CCCAP is no longer paying for missed swipes. If you miss a swipe we will bill you for that day.

2017 Parent Survey

I would like to thank everyone that participated in our 2017 Parent Survey earlier this year. If you did not have the opportunity to complete this survey, no worries, we will do another survey after the first of the year. This will be an on-line survey and it will help both Princeton Academy and Colorado Shines know what parents think about the program at Princeton Academy. In this particular survey we focused on Family Partnerships. We received responses from 21 families. As a result of this survey we have chosen to add additional literacy, math and science materials to our classrooms.

Playground Grant

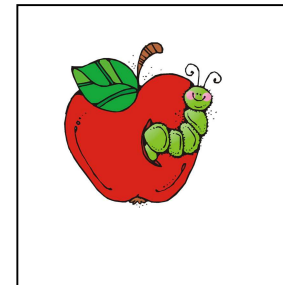

"We know high-quality outdoor learning environments promote healthy living and physical activity for children, but many programs cannot afford to invest in these spaces and hundreds across our state need repair and improvement. With generous funding from the Colorado Health Foundation, we are excited to launch Healthy Beginnings, Active Futures". Kathryn V. Harris, CEO and President, Qualistar Colorado

As part of quality improvements being made at Princeton, in March 2017 we had a playground inspection done on our outdoor environment. This inspection showed us what is most pressing and should be replaced and/or repaired on our playground. At that time in March, we applied for a grant with The Colorado Health Foundation. In July 2017 Princeton Academy was awarded a \$15,000 grant to assist us in upgrading our playground. Within the next 20 days we will replace the surfacing on our infant/toddler playground, as well as the border around the wood chips on the preschool playground. We will also be adding a sun shade structure to the infant/toddler playground.

2017 Fall Parent/Teacher Conferences

Watch for more information on Fall Parent/Teacher conferences. Conferences will be held on Thursday and Friday, October 5th and 6th, 2017. We will provide sign up information in September. This is an opportunity for you to communicate with your child's teacher about your child's development.

Parent Volunteers

We are looking for some volunteers. We will be replacing the surface on the infant/toddler playground within the next 20 days. We need help taking out the old surface in preparation for our new surface. We will also need volunteers to help replace the border for the wood chips on the preschool playground. This work will be done on a Saturday. Stop by the office and let me know if you are able to help us! Thank you.

CCCAP School Age
Parents...

Please contact your CCCAP
caseworker to have them
add the transportation fee
to your tuition for our before
and after school program.
Thank You!
