Princeton Academy Philosophy

Princeton Academy is a program designed to provide a nurturing and secure environment that enhances every child's joy of learning.

Colorado Shines

Parents and families! We will rate for our Colorado Shines Level IV in April 2017. During the next few weeks, watch for parent surveys. Your input regarding quality improvements for our program is very important to us. We will use this information to develop a continuous quality improvement plan that will be updated annually, shared with staff, families and stakeholders, with documented goals, timelines and outcomes. Thanks in advance for your participation.

More Important News

Picture Day...

Picture Day at Princeton Academy is coming in March. We are excited to try a different company this year! Laugh Out Loud Photography is scheduled to be here on March 1-3, 2017. Our program theme will be "Old Hollywood" so our children will dress in Hollywood customs and use various props for these photos. If your child is starting Kindergarten this fall you will have the option of purchasing graduation photos as well. What a great gift for Mother's Day! Watch for more information on our upcoming photo session with Laugh Out Loud Photography!

Important Announcement

President's Day...

On Monday, February 20, 2017, there will be no school for District 11 students. Watch for information on what our school age program will be doing!

**Parents....Please remember our
9:00am check-in policy**

Parent/Teacher Conferences...

Parent/teacher conferences will be scheduled Thursday and Friday, March 23-24, 2017, from 3:00pm – 6:00pm; by appointment only. Watch for information on how to sign up and additional details in the near future. This is an opportunity for you to communicate with your child's teacher about your child's development. If you have concerns about your child; this is the place to discuss those concerns.

Updated Enrollment Information...

Every year the State of Colorado requires us to update our enrollment information for each family. This will require you to submit a new enrollment application, emergency card, IEF form, financial agreement, and both physical and immunization updates for your children. Thank you in advance for your cooperation.

CCCAP Infant and Toddler Absence Policy...

Princeton Academy is pleased to offer care for your children under the age of three, however, care for these age groups is becoming increasingly more expensive and therefore, more difficult to provide. It has always been Princeton Academy's policy for private pay families to pay for care five days per week whether or not their children attend. Therefore, we must enforce this policy for CCCAP families as well. Please bring your children every day they are authorized. If your child is absent more than one day per month you will be required to pay for additional days. Also, if your child is authorized for "full time" they MUST be in our care for a minimum of five hours each day. If you have questions or need additional information please stop by the office. Thank you.

CCCAP Point of Position Machine...

If you have CCCAP you must sign in and out "DAILY" on our Point of Position Machine. There are two machines located in the front office for your convenience. If you fail to sign in and out daily you could incur the cost of the CCCAP tuition for your child.

Pyramid Plus Parent Training...

Positive Solutions for Families is a parent training that we would like to offer in the future. This training will help families develop schedules, routines, positive specific praise, calming down steps, normalizing behavior, etc. for our children. We had one class and would like to continue this type of training for our parents and families. If you are interested please stop the office and us know!

Staff Updates...

We have new teachers in our school age program. Please join me in welcoming Mr. De' Aree Littleton and Mr. Quinn Tiernan. Kelly Berry recently joined our team in the three year old preschool "Ladybugs" classroom.

Be sure to stop in and meet our new teachers!
