Playground Project Update

We want to thank everyone that helped with the Princeton Academy Playground Project. On Saturday, September 16, 2017, several folks gathered here at Princeton to pull up the old surface on our Toddler playground and to remove the black trim holding the wood chips on our Preschool playground. We are also adding a sun shade structure to the Toddler playground help protect children from the damaging rays of the sun. We are excited about this upgrade to our playground. We invite you to stop in to see what we are doing anytime! Thanks to everyone that helped us.
